## Funerals

### SYMPATHY FLOWERS FOR THE SERVICE

A display of fine floral standing sprays, casket covers, wreaths, altar arrangements and sympathy flowers at a funeral or wake creates a thoughtful representation of attachment and fidelity, and offers a loving tribute - and the spirit of hope - to all who are present.

### CASKET COVERS

Honor the loved ones with a majestic casket cover and bring grace and beauty to the service. For a memorable tribute, choose specific colors and flowers to symbolize outstanding qualities of the departed; for example, roses for love, or delphinium for divine grace.

### STANDING SPRAYS

Pay your respects with a magnificent display of blossoms and greenery on a freestanding easel, and celebrate a life of accomplishment and devotion. A standing spray designed for the service can be representational - in the shape of a heart or a cross - or created with symbolic colors, flowers or foliage.

### FUNERAL WREATHS

A lovely and ornate wreath of flowers and foliage, hand-delivered to the service on a freestanding easel, is a beautiful and touching tribute to the deceased. Choose a bright ring of blossoms to lift the spirits of all who are present, or a heart-shaped wreath to express your love and devotion.

### SYMPATHY PLANTS, GIFT BASKETS AND FLOWERS FOR THE HOME

A blooming garden basket, sent to the home, is a long-lasting gift of natural beauty. Choose a charming rustic basket or a zen arrangement for a more polished look. In cultures where guests are received during the mourning period, a fruit or gourmet basket may also be a welcome gift.
